**REFUGE:** We provide shelter and safe home to survivors and their children who have been traumatized by domestic violence. Comprehensive support services are available to shelter guests, including counseling assistance in obtaining longer-term housing and employment, and legal advocacy.

**EDUCATION:** Through community-based education and prevention efforts, we foster healthy relationships and increased awareness of abuse in the community, in order to put a stop to violence before it occurs.

**ADVOCACY:** Our residential and community advocates use a survivor-centered, relational model of advocacy, helping survivors plan their safety, access benefits, and explore options for housing and employment.

**CHANGE:** Our overall goal is to end domestic violence through community education and early intervention, so that individuals and families of all backgrounds are empowered to lead healthier, safer lives.
