What is the REACH Leadership Circle?

The REACH Leadership Circle recognizes individual donors whose generosity helps sustain and strengthen REACH's lifesaving work with survivors, children, and families.

Leadership Circle donors make a meaningful annual investment in safety, healing, advocacy, housing stability, prevention, and hope. Their support helps ensure that survivors have access to compassionate, trauma-informed services today while also helping REACH build the long-term community change needed to prevent domestic violence before it happens.

The Leadership Circle is designed for individual donors and families who want to deepen their commitment to REACH's mission and remain connected to the impact of their giving throughout the year.

REACH Beyond Domestic Violence, Inc. is a 501(c)(3) nonprofit organization. Contributions are tax-deductible to the extent allowed by law.

Leadership Circle Benefits

Leadership Circle donors are invited to receive benefits based on their annual giving level. These benefits are designed to help donors stay connected to REACH's mission, understand the impact of their giving, and participate in meaningful opportunities throughout the year.

Leadership Circle recognition is based on cumulative annual giving during REACH's fiscal year, July 1 through June 30. Individual gifts, recurring gifts, fulfilled pledges, and multiple gifts made during the fiscal year may be counted toward a donor's Leadership Circle level.

Recognition is always optional and based on donor preference. Donors may choose to be publicly recognized, listed anonymously, or remain fully anonymous. Event tickets are subject to availability, event deadlines, and venue capacity.
